

La Fête Champêtre

We are delighted to invite you to participate in the 30th edition of la Fête champêtre, an emblematic charity event organized by the Armand-Frappier Foundation!

This edition marks an important milestone in our commitment to the scientific research carried out by the Armand-Frappier Santé Biotechnologie Research Centre's teams.

This evening aims to collect donations to fund research projects in various fields, including neurodegenerative, infectious, inflammatory and autoimmune diseases, as well as cancer, transplants, hepatitis C and other health related sciences.

To celebrate this 30th edition, we have the privilege to have **Mr. Jean Charest** as guest of honor as well as **François Dion** from LEVIO Affaires et Technologies and **Normand Therrien** of Therrien Couture Joli-Cœur as co-presidents of the event.

Join us for an exceptional evening of networking with business leaders from the greater Montreal region and researchers from the Armand-Frappier centre.

We are looking forward to seeing you there !

A SOLIDLY ROOTED EVENT

Looking towards the future

Since its beginnings in 1994, La Fête champêtre organized by the Armand-Frappier Foundation is much more than just a charity event: it is a symbol constant commitment towards scientific research. Over the last three decades, this prestigious event has become the highlight of fundraising for health research, testifying of its undeniable success. Every year, La Fête champêtre gathers a diverse audience, from influential personalities to science enthusiasts, for an evening of celebration and support for a cause that affects us all.

La Fête champêtre is a special moment to build relationships, exchange ideas and discover the most recent scientific advances, while meeting researchers from the Armand-Frappier centre. By participating in this exceptional event, each donor helps shape the future of scientific research, thus making La Fête champêtre an unmissable event for all those who share a passion for discovery and innovation.
